

POSITIVE HR NEWS

Positive HR Forum

Onboard with June's Forum meeting!

Onboarding best practice was the topic for the June Forum meeting – and attendees proved how 'on board' they are with subject through lively contributions in round table and full group discussions at the event: thanks to Leadership Coach Anwen Bottois of Purple Sky Consulting for leading the session.

We also heard more about the great work of this year's chosen charity, **Stoke-on-Trent Foodbank** from Business and Community Development Officer Caroline Wolf. On Saturday July 22nd, members of the Positive HR Forum Committee and Forum member Jody Warren also supported the Foodbank collecting donations for its Food Drive at Morrisons on Festival Park (see right).

In other news, we are planning to revive the closed LinkedIn group we used to host in order to continue the conversations after / in between our Forum meetings. The group is open to anyone who has attended one of our meetings, and we are currently looking for feedback on what kinds of things people would want to include – Kaye Massey will be emailing all attendees for feedback soon.

..and finally, we are reviewing whether it is still necessary to have a two month break over the summer or whether members would like us to keep the momentum going with meetings right through the year. Watch this space for a vote on this and the closed LI pages topics.
