## Happy New Year – all the best for 2024!

As we reflected at our lovely celebratory Christmas lunch in December, we have come a long way since that first meeting at M&S on 14th Feb in 2018, when we set out to create a new kind of HR community.

We are proud of all we have achieved in that five years including:

- 28 meetings / topics covered • 1338 places booked
- 1 Annual Conference • 315 on the mailing list (>30% 2021)
- 719 followers on LinkedIn (>50% 2021)
- 30 businesses promoted on the HR Directory
- Over £1,500 raised for three great local charities

The secret – **YOU the members** – together the amazing energy and hard work of founder Kaye Massey and the committee.

So now – on to the future, where we will be fielding a number of great topics from our new permanent home at Port Vale including: The future of HR (including AI), Proactive Leadership Development, HR Strategy and Managing and Supporting Your People Through Change. But first...
